

Who we are and what we do

Last Updated Monday, 20 July 2009

Passion sets us apart, and this is the reason why we are Cravings. We give more than just good food and classic ambience special for the privileged guests. We make sure that we go beyond to extend distinct and personalized service.

What started as a quaint bakeshop along Katipunan more than 20 years ago is now one of the most loved homegrown restaurants. The mother and daughter Annie and Badgie Guerrero have surpassed even their own expectations as Cravings has flourished to what it is now. It is a labor not only of love, but also of passion to bring forth the most delectable and comforting food always sought and longed for.

Beyond it was, and so other businesses came after Cravings. Aside from the opened doors for franchising, other affiliates came in: TCB - The Coffee Beanery, C2 Classic Cuisine of the Philippines , Seven Suites Hotel Observatory, The Orange Place Hotel, Center for Culinary Arts, Manila , C3 Events Place and Restaurant, Oceana – CCA Manila Restaurant-School- Events Place.

Every dish at Cravings is a reflection of passion that went beyond expectations and vision. We keep up amidst trends, and effortlessly we remain to be. We believe that one cannot offer something that is not within, thus we stand proud of our passion... to give delight to every guest's longing.
